

## **CICC NEWSLETTER & PRESS RELEASE**

July – August 2026

### **Executive Project Site Visits & International Sponsorship Program**

The Council of International Chambers of Commerce (CICC) continues its global development mission through structured executive engagement, project evaluation missions, and strategic partnership expansion across multiple regions.

During July and August 2026, CICC focused on high-level international activities centered on on-site project assessments, investment facilitation, and sponsorship-based cooperation programs involving governments, private investors, and institutional partners.

For all cooperation requests, sponsorship proposals, and project-specific information, contact: [admin@council-icc.org](mailto:admin@council-icc.org)

### **1. Executive Project Site Visiting Program**

During July–August 2026, CICC executives conducted structured Project Site Visiting Missions aimed at strengthening direct engagement with:

- project owners and developers
- international investors
- government and
- municipal representatives
- chambers of commerce and institutions
- infrastructure and industrial partners
- regional economic stakeholders

Key focus sectors:

- infrastructure & construction
- smart city development
- renewable energy projects
- logistics and transport hubs
- tourism and hospitality investments
- industrial zones and free trade areas
- digital economy and innovation projects

Objectives of the visits:

- on-site project
- evaluation and feasibility review
- strengthening investment partnerships
- identifying co-financing and joint venture opportunities
- supporting cross-border economic cooperation
- accelerating project implementation discussions

## **2. International Sponsorship & Partnership Framework**

CICC introduced a structured Sponsorship Cooperation Program allowing partners to actively support and host international institutional activities.

Eligible participants:

- project owners
- private investors
- strategic business partners
- development companies
- chambers of commerce
- institutional sponsors
- regional authorities

Sponsorship opportunities include:

- hosting official CICC executive visits
- sponsorship of international conferences and forums
- regional investment promotion events
- VIP diplomatic and business meetings
- sector-specific economic forums
- country or project-based business missions

Sponsorship benefits:

- official visibility within CICC international programs
- direct access to executive-level delegations
- participation in investment matchmaking activities
- strategic branding and institutional recognition
- inclusion in regional
- development initiatives

### **3. Executive & Presidential Special Missions**

As part of its international engagement strategy, CICC also developed special executive mission programs, including:

- presidential-level
- business visits
- strategic diplomatic meetings
- international investment roadshows
- high-level institutional forums
- bilateral and multilateral cooperation events

These missions are designed to strengthen:

- global investment flows
- institutional cooperation frameworks
- cross-border trade relations
- long-term strategic partnerships

### **4. Regional Cooperation & Global Expansion**

During July–August 2026, CICC continued expanding its operational engagement across:

- Europe (key coordination hubs)
- Middle East (selective project engagement)
- Asia (investment outreach programs)
- Africa (development cooperation discussions)

The organization reinforced its role as a facilitator of:

- international project development
- investment coordination
- institutional partnerships
- and economic diplomacy initiatives

### **5. Official Administrative Notice**

All stakeholders interested in:

- sponsorship participation
- hosting executive visits

- presenting investment projects
- organizing regional events
- or establishing strategic partnerships

are invited to contact the CICC Administration or full program details and eligibility requirements.
