---

## October 2025

CICC expanded its international outreach activities through:

- business networking forums,
- B2B investment meetings,
- chamber cooperation initiatives,
- and regional partnership discussions.

The organization promoted:

- foreign direct investment opportunities,
- cross-border business
- development,
- international economic diplomacy,
- and trade facilitation programs.

Special focus was given to:

- Middle East partnerships,
- Gulf business expansion,
- European strategic
- cooperation,
- and Africa-Asia trade connectivity.

The month also included:

- membership expansion campaigns,
- institutional negotiations,
- and preparation of major 2026 investment forums.
